

"Smile for me?" A humanized Fluttershy and Rainbow Dash fan fiction :). Disclaimers, I do not own My little pony: Friendship is magic, nor any of the characters used in this.

I'd also like to add, anything can happen in fan fiction world, so please don't go all know it all on me. Girls can get girls pregnant in fan fiction world :D lol

"Spike, take a letter." Twilight sparkle said calmly as she pushed her navy blue hair behind her ear.

"On it." Spike replied cheerfully. He grabbed his trust quill and waited for her to give the message. She smiled. "Dear friend, I invite you to Princess Celestia's castle tonight, at 6 PM through 10 AM, for a super slumber party filled with games and laughter! I hope you will attend, your friend, Twilight Sparkle." She wore a proud look on her face as she finished her sentence.

Spike wrote the letter word for word, softly mumbling the words as her wrote them.

"Thank you Spike, now please send that to Pinkie pie, Apple Jack, Rainbow Dash, Fluttershy, and Rarity too!" Twilight said with one breath, then looked pleased with herself afterwards. Spike nodded, and sent the letter using magic. "Now, Spike, go pack your things and then we can go." She said softly, then walked away to her room.

Spike stood in place for a moment, then turned and awkwardly shuffled to his own room, and began to pack his belongings.

At this point, Twilight had already packed most of her things with the help of her magical horn. She just had to pack a few more things. With a purple transparent cloud, she opened her dresser drawers and pulled out some purple striped pajamas, along with her bathrobe. She smiled as she easily tossed the clothes into her messenger bag, then closed it. She slung her bag over her shoulder, and turned to face her door. She paced to the door, then stepped outside of her room. "Spike, are you ready yet?" She called out loudly.

Spike put an annoyed look on his face as he stepped out of his room carrying his backpack. "Yes, I'm ready."

She smirked at him. "You're grumpy today." She laughed slightly, then walked over to him. She patted his head with a smile. She checked her watch, it read 4:53 PM. "Okay Spike, let's go."

Spike groaned. "Why do we have to go so early?"

"Because we need to help set up the castle for the party. We can't expect Princess Celestia to do all of it for us."

Spike half smiled, "I guess that makes sense."

Twilight placed her hand in his small, cold hand, and lead him outside. By about 6:23 PM, almost all the guests had arrived. Everyone was having a great time.

"Pass the cola, please." Apple Jack asked in her country accent. Fluttershy, a tall and very shy girl, handed Apple Jack the cola.

Fluttershy frowned as her pink hair fell into her face. She looked down at her folded legs, thinking to herself, "Oh..where is Rainbow Dash..." She blushed thinking of that rainbow headed girl. "Okay okay, I have an idea everypony. Lets all play truth or dare!" Twilight shouted excitedly.

There was a chorus of groans.

"Come on, it'll be fun!" Twilight insisted.

"Fine." Rarity said, sounding very stuck up.

"Alrighty sugar cube." Apple jack replied. The others nodded in agreement.

"Ooh ooh ooh can I go first? I just looove to go first!" Pinkie pie blurted out, causing everyone to stare at her. "What?" Pinkie asked, cluelessly.

"Nothing Pinkie," Twilight giggled. "but sure, you can go first."

"Yay!" Pinkie exclaimed with joy. "Okay, let's see...", She held her hand to her face in a "thinking position". "Fluttershy!"

Fluttershy flinched as Pinkie loudly said her name. "Y-yes?"

"Truth or dare?" Pinkie said with a grin.

"Um...t-truth?" Fluttershy stuttered.

"Okay...Have you ever eaten a Chimicherrychanga?"

"Oh not this again, Pinkie." Applejack interrupted.

"Fine...blah...who do you have a crush on?" Pinkie said while pouting.

"I...I um..." Fluttershy looked around nervously. "I like...rainbow dash-"

"Hello everypony! RainbowDash is here!" Rainbow announced in her raspy voice as the door flew open in front of her.

Fluttershy's face lit up, but was quickly filled with blush as she realized Dashie might of heard her.

"Eh...Hi Rainbow." Twilight said with a sweat drop falling from her head.

"Have a seat."

"Don't mind if I do." Dash strutted in and plopped down on a pillow right in between Pinkie Pie and Apple Jack.

"We're playing truth or dare, and Fluttershy was just about to tell us who she has a crush on." Apple Jack muttered to Rainbow.

"Ah, gotcha." Rainbow said with a little nod.

Fluttershy sighed of relief as she realized not only did Rainbow not hear her, none of her friends had heard her.

"Well Fluttershy?" Twilight asked.

"I uh...um..." Fluttershy stuttered, then let out a little squeak. "I pass!"

Fluttershy quickly stood up off the floor, and began to run to the room where they had set up their sleeping bags. Her face turned bright red as she turned, running into the room and plopping down on her sleeping bag face first. Rainbow chuckled, "I'll go see if she's okay."

Rainbow stood up, and patted the folds and wrinkles out of her pants.

She then walked to the room where Fluttershy had fled to. "Knock knock?" Dash said in a cheeky voice as she knocked on the doorway.

Fluttershy sat up and turned to Rainbow, with her pink hair covering most of her red face.

"You okay, Shy?" Rainbow walked into the room and squatted down next to Fluttershy.

Fluttershy was silent. She could feel her heart beating fast as she realized it was just her and Dash alone. "I-I'm fine..." She shyly replied.

"I...", Rainbow sighed, "I don't understand something about you."

Fluttershy became sad. "I'm sorry...what don't you understand?"

"I don't understand why you're always so shy around me...The others say that you aren't shy around them...Did I do something wrong?"

"No! I-I mean...no, you didn't do anything wrong...it's just...I-i..."

Fluttershy stuttered on.

"What Fluttershy, what the hell is it?" Rainbow grew impatient with the shy girl.

"Fluttershy, say it.." Shy whispered to herself. "I...It's because I have a crush on you..." She blurted out, followed by more blushing.

Rainbow paused for a moment. She grinned, then leaning forward, she pressed her lips onto Fluttershy's.

Fluttershy's eyes widened, staring at Rainbow as her kiss went on.

Fluttershy slowly closed her eyes, and pushed forward onto Rainbow.

Rainbow fell backwards onto her back with her legs up. She pulled away from the kiss. "Wow Fluttershy...y-you're assertive!" She exclaimed.

Fluttershy smiled, then climbed onto Rainbow, and sat on Rainbow's stomach.

Rainbow smiled, and put her hands on Shy's hips. Fluttershy leaned forward for another kiss.

"Hey girls, how's it-" Rarity said while stepping into the room. She quickly stopped herself as she noticed the two girls kissing. Fluttershy pulled her head up as she heard Rarity. "R-Rarity!" Fluttershy cried out as she saw her friend standing there. She stood up and stepped away from Rainbow. Rainbow sat up and turned to face Rarity. "What in equestria were you two doing?" Rarity questioned.

Fluttershy blushed and hid her face in her hands.

"Geez Rarity..It's pretty darn obvious what we were doing! Now look, you've made her embarrassed." Dash said with a frown.

"Well excuse me, I was just checking up on you. No need to bite my head off for it.." Rarity snapped back.

"Whatever.." Rainbow rolled her eyes. "Fluttershy, I need to talk to you alone, please." Rarity said, while giving Rainbow nasty glances.

Fluttershy walked over to Rarity with a nod. Rarity took Fluttershy by the arm and led her to the nearest bathroom.

"Fluttershy, I don't think you should date Rainbow Dash..."

Fluttershy frowned, "Why not?"

"Because I like- I mean..because I don't want you to get hurt..."

"I appreciate the warning, Rarity, but I've loved Rainbow since the moment I met her. If I could date her, I would.." Fluttershy sternly replied.

"Fluttershy you don't understand."

"No Rarity, you don't understand. I love her, that's final..." Fluttershy frowned and walked past Rarity.

Rarity was quite shocked with Fluttershy's act, so she decided to just leave her alone. Fluttershy stood still for a moment, then rushed past Rarity, running back to Rainbow. She dropped to the floor when she reached Rainbow. "What happened? What did she say?" Rainbow asked in panic as she saw Fluttershy's face red with anger. "That...that bi-...not nice girl said I would get hurt if we date..." She replied slowly, with anger in her voice and panting from her little run. "Were you about to say bitch?" Rainbow laughed softly. "But anyways..like, if you and I date?" Rainbow motioned, pointing to Fluttershy and herself while blushing slightly. Fluttershy nodded while biting her bottom lip, avoiding eye contact. Rainbow smiled and pushed a yellow chunk of her hair behind her ear. "D-does that mean..." Fluttershy paused, staring at Rainbow's smile. Rainbow moved forward to begin kissing her tender lips again. "Dashie..." Fluttershy tried to stop her, but quickly gave in. She fell onto her back, her legs spread apart. Rainbow pressed her chest against Fluttershy's, causing them both to feel each other's heartbeats. Rainbow was now laying on top of her, loving every moment of it. Fluttershy slid her hand up Rainbow's back, then slowly pulled her hand in between the two of them. She lightly pressed on Rainbow's chest, pushing her away. "Did I do something wrong..?" Rainbow softly said, still on top of Fluttershy. Fluttershy blushed, then shook her head. "No...I just need to know, d-does this make us...you know...a couple now?" Rainbow pressed her hands on either side of Fluttershy's head to support her body better. "I guess it depends...Do you want to be?" "More then I can explain! I-I mean...if you want to that is..." Fluttershy smiled shyly, blushing slightly. "Sooooo awesome!" Rainbow blurted out, then awkwardly smiled. "Now, where we left off..." Rainbow dash passionately kissed Fluttershy on the lips, and slowly moved to her neck. Fluttershy held Rainbow's hair gently.

Rarity scoffed, as she heard the two talking, then kissing. She stared at herself in the bathroom mirror for a moment. "Rarity darling, what are we going to do?" She awkwardly held her fingertip to her lip, pondering for an answer. "Tsk tsk tsk, we have got to get that poor little Fluttershy away from Rainbow..." She stood for a moment, then shrugged and left the bathroom.

"Rarity! Where have you been?" Twilight eagerly greeted the beautiful girl. By now, Spike had fallen asleep with his head on Twilight's lap, Pinkie had passed out, and Apple Jack and Twilight were just chatting. "Howdy there Rarity, what took you so long?" Apple Jack greeted with her country accent. Rarity frowned, sitting down by Twilight. "Well I'm not naming names here, but a certain rainbow haired someone was busy

making out with a certain shy someone. If you know who I'm talking about." Rarity hinted with a smirk. Twilight's eyes widened. "Are you serious?" "It's all true." Rarity nodded. "This is wonderful!" Apple Jack said excitedly, tossing her blonde ponytail over her shoulder. "I'm not so sure about this, Fluttershy could easily get hurt." Rarity replied with a concerned look. Twilight shook her head, "Rarity, this isn't our place to say what's good for her and what isn't." Rarity frowned. "I guess..." She stood up, and walked over to where she had set her bag. Crouching down, she unzipped the bag and pulled out some designer, white silk Pajamas. "Well I'm going to slip into something more comfortable..." Rarity said with her soft accent. Twilight smiled. "Okay, I think I will to." She reached into her messenger bag, which was still over her shoulder, and pulled out an oversized purple sweater. She gently lifted Spike's head up, and slid out from under him. The then sat his head on the floor. She stood up, careful not to step on his head. Apple Jack stood up as well, thinking for a moment. "Hey guys, I'll be right back..." Apple Jack sprinted to the room where Fluttershy and RainbowDash were last seen. She paused, her jaw dropped, and her eyes widened. "I- I um...er...howdy." She awkwardly said as she saw the two, not only making out, but in their underwear. Fluttershy squeaked, pulling away from the kiss, then quickly pulled her pillow in front of her body. She stared at Apple Jack, blushing intensely. Rainbow calmly grabbed her oversized t-shirt and slipped it on over her blue bra. "Hey AJ, do you mind knocking?"

"I..uh...sorry, I needed something." Apple Jack walked into the room, she quickly grabbed her pillow and sleeping bag, and sprinted out. Fluttershy's face grew with worry. "She knows where we were heading..." "So?" Rainbow wrapped her arms around Fluttershy from behind, then began to kiss her neck. "So...what if...what if..." Fluttershy couldn't think of an excuse, nor did she care anymore. She moved her hand back, and touched the back of Rainbow's head, pushing her even closer to Fluttershy's body.

Apple Jack panted as she stood outside the door where Fluttershy and Rainbow did their things. She blushed awkwardly, still listening to them, but out of sight. She sighed, then trucked her belongings to the room where Spike and Pinkie still lay. She spread her sleeping bag out, and plopped her pillow down on top. She casually sat down, then spread out upon the sleeping bag. Twilight had just finished slipping on her sweater as Apple Jack came in. She stared at the blonde girl for a moment, with a look on her face that clearly asked, "What the heck happened?" Apple Jack chuckled lightly as a bead of sweat dropped down her face. "I guess you're wondering what happened, eh?" Apple Jack said as she rubbed the back of her head with her freckled hand. "Uh, pretty much..."

Twilight said with a laugh. Apple Jack held her hand out, and wiggled her finger, motioning Twilight to come closer. Twilight stared for a moment,

then squatted down next to her. She bent in further. Apple Jack sighed. "I saw Fluttershy..and Rainbow...having sex..." She whispered into Twilight's violet ear. Twilight's jaw dropped. "WHAT?" She shrieked, waking up sleeping Spike. "Hey...what's going on?" Spike said in a yawn. "Nothing Spike, go back to sleep." Twilight lied. She bent in closer to Apple Jack. "Are you sure that's what you saw?" She questioned within a whisper. Apple Jack nodded, "Well, they were certainly headed there." Twilight shook her head in disapproval. "This is just-" She began, but was quickly interrupted by Rarity, who came strutting in announcing, "Hello one and all, look at my new designer pajamas!" "They're uh...real pretty Rarity." Apple Jack said, paying little attention. Twilight smiled, "They're beautiful Rarity, but something serious just happened." Rarity's face filled with panic. "What happened?" Twilight stood up tall next to Rarity. Rarity leaned towards Twilight. "Fluttershy and Rainbow are having sex." Twilight whispered. "Oh my..well...that certainly was fast, now wasn't it? Sheesh, and you didn't believe me when I said we should split them- I mean, be concerned about Fluttershy." Rarity said with a proud smirk. Twilight gave Rarity a "Were-you-about-to-say-what-I-think-you-were-about-to-say" look, then shrugged it off. "Well, maybe this could lead to a good thing. I know Rainbow Dash can be a little insensitive at times, but maybe she really does like Fluttershy..." Twilight put on a fake smile, still very concerned about Fluttershy.
